Enterprise Zone Tax Credits Will Save Your Clients Thousands!

Did you know the laws have changed in the past few years, and now **any business** in the Enterprise Zone can save thousands, every year, on their State Income Tax?

Many tax preparers are unaware or misinformed about the Zone's financial incentives. Representatives from the Franchise Tax Board and Trade & Commerce Agency will be present to explain how easy it is to use these benefits.

Don't miss this opportunity to learn how to save your clients thousands of dollars on State Tax or they just might end up looking for a new accountant.

For more information or reservations call the Enterprise Zone office at:

Seminar will be on
Thursday, May 10,
from 9 to 11:30am at
